## CITY ANNEXATIONS AND SPHERE OF INFLUENCE POLICY

On January 15, 2008, your Board approved an amended policy regarding City Annexations and Spheres of Influence. Your Board directed this Office to report back on how many housing units have not been transferred to annexing cities that logically should have been transferred if the amended City Annexations and Spheres of Influence Policy had been in effect over the last eight to ten years.

On January 23, 2008, the Local Agency Formation Commission (LAFCO) provided our Office with a list of annexations from 2000 through January 2008. Our Office will compile the information from each of the annexations including identification of the annexing city, the location and acreage of the annexation area, the annexation area map and census tracts. This information will be provided to the Department of Regional Planning, so that they can identify the number of County Regional Housing Needs Assessment (RHNA) allocations that would have been transferred to the annexing cities had the County established a transfer policy for prior city annexations. We anticipate that this effort will be completed by May 2008.

If you have any questions, please feel free to contact me or your staff may contact Marge Santos in the Community and Municipal Services Cluster at (213) 974-1499.
